

**Regulation Governing Foreign Student Admission**  
**Graduate Institute of Audiology and Speech Therapy, NKNU**

Approved by NKNU Administration Meeting on pending, 2011

1. The Regulation is promulgated in accordance with the Ministry of Education Regulations Governing Study by Foreign Students in the Republic of China, and the Provision 4 of National Kaohsiung Normal University Foreign Student Admission.
2. The number of foreign students shall not be counted against the school's total admissions quota. The number of foreign students admitted to this University, with the exception of special programs otherwise specified, shall be limited to no more than 10% of number of ROC students admitted that year.
3. Foreign applicants who possess a bachelor degree may apply to the graduate program.
4. Foreign applicants shall submit their applications to the university during the university designated application period. Besides the documents required in accordance with the Article 5, Regulations Governing Foreign Students' Admission to National Kaohsiung Normal University, all applicants shall submit 3 copies of each of the following documents:
  - (1) Autobiography (including motivation, interests, and career development, etc.) (in Chinese or English)
  - (2) Study plan (in Chinese or English)
  - (3) Working experiences (in Chinese or English)
  - (4) Any other significant document
5. In order to process the preliminary review, the Admission Committee will be chaired by the Director of the Graduate Institute of Audiology and Speech Therapy. Other committee members include teachers of the Graduate Institute of Audiology and Speech Therapy.
6. All applications shall be examined by a Department Screening Committee. The preliminary results will be reviewed by University Screening Committee by late May.
7. Foreign students who are admitted to the program will be assigned an advisor to assist the course choosing.
8. Other concerned matters not specified in these regulations shall be construed by the

relevant laws promulgated by the MOE, NKNU, and the Graduate Institute of Audiology and Speech Therapy.

9. Enforcement and amendment of this regulation shall complete the process of the Departmental meeting, NKNU Academic Affairs meeting and NKNU Administration Meeting.
